

Never a Better Time!

WAR, UNREST, DECEIT, STORMS, VIOLENCE, PERVERSION, FLOODS, UNGODLINESS!

That doesn't sound too great, but we have never seen a better time to share the wonderful Gospel of Christ in Poland! Time is ticking down on this earth, but here at WOL Poland we are seeing God's plan going forward as never before.

PRAISES:

SUMMER 2023

Thanks to all who prayed and supported campers! We held 2 Sports Camps, Bike Camp, Family Camp along with our **First Ever... English Camp!** Besides that we held two concerts and 2 Open Pool days for evangelism.

All in all we saw **946 in attendance** and 291 Individual Gospel Presentations! **55 made professions of faith in Christ** and 65 made life dedications!

English4Life

One young man, named Bogdan, who changed his life around at camps decided to attend our English4Life program and he is having a wonderful time learning and serving with us on weekends. This semester, the Lord provided a nice group of teachers and counselors as well as 15 students of which about 6-7 are unsaved. HALLELUJAH!

Local Church Ministries

Youth Leaders Conference: A few weeks ago Matthew Good and Ken Dady challenged leaders to true discipleship and evangelism. We introduced brand new materials and gave them some real practical ideas of how to plan out their year of youth ministry. One young leader said that **he could not remember a weekend like this where he was so challenged.**

Grunwaldzka Youth Group:

We started a few weeks ago and saw **32 at our first youth meeting.** It is unreal because last year we started with 6-7 youth. It has grown not only in size, but also in excitement and **every week evangelism and discipleship takes place.** On the ride home in the car the other week, Ginny was questioning Andrew about his opportunities to witness in school. He hadn't had the courage yet, but a few minutes later when Casper did not clearly understand the Gospel, Andrew was giving his testimony right there in the car! **How precious to hear how God saved him at camp last summer!**

AN OPEN DOOR! That no one can shut!

Brad, There literally has never been a time like this, in Poland, where people are more open to the Word of God. Thank you so very much for your part in helping us reach them. **We have been in a process of preparation for many years and God is really starting to expand our opportunities in incredible ways!**

PLANS:

Thanksgiving – November 4

Yes, that is earlier than your official holiday, but we will host about 150 people here serving about 8 turkeys and 20 pies with all the other trimmings as well. Please pray, as invitations go out, that God will urge many to come who will have receptive ears to receive the Gospel.

Bible Quiz - December 8-9

Teens will be studying 18 verses and 4 lessons to take part in this exciting event. We have made some changes in our approach and we are expecting to have several new youth groups take a part. Please pray with us for God to prompt many youth groups to get involved. Our name is “Word of Life” and truly our goal is to get that in the lives and hearts of Polish young people.

PROGRESS:

New Staff: Administrator & Building Project Manager

Praise the name of the Lord for these 2 new wonderful people, Kasia & Szczepan, who are helping to move things ahead! Our entire staff is elated with these two, who are already relieving so much work from us so we can be even more involved in the ministry.

Third Floor Development:

Plans have been submitted and **by the middle of November we should be on our way.** This will be a special place for English4Life with 3 classrooms, an office, a small conference room as well as a lounge, kitchen, bathrooms and 3 efficiency rooms for our guest teachers. This will enhance our English4Life school and give us about 30 more available beds for other events. Szczepan will coordinate all of this and we praise the Lord for the provision of the funds already received.

Landscaping

Ginny has been pricing and working on a project with a lady since April and it will finally be getting done. **By the end of November, new trees will be planted** all along our front fence as a nice barrier to the road and an addition to the beauty of the property.

Basketball court lighting

Szczepan is organizing a group to come and finally get this project done which we wanted to have done a year ago. We’ve had to be patient for God to provide funds as well as people to do it and what a blessing to see it all coming together.

PRAYERS:

Well, you can see much in this letter for which you can first praise the Lord and thank Him. I’ve shared of ministry opportunities, which are abounding and continue to keep us busy and rejoicing in the Lord. And there’s one more thing as we look to the future.....

Multi-purpose Meeting Room / Gymnasium

Folks, once upon a time this was a dream in the far-off future, however, we now see how this is a definite need. We already have the plans approved for this (it was part of our original 4 part building permission). We have no idea of what the cost will be, but please start praying. It will be a major project and I will be working with Szczepan to do a cost analysis and plan of when it can be done. We are now hosting events where things get very tight and we meet in our dining room but **this will open the door for 400 people to be under the teaching of God’s Word!** Please begin to pray with us for this major undertaking.

We truly praise God for all that He has allowed us to do at this incredible time like no other in the history of Poland to spread the Gospel of Christ! **There is a Big Open Door** and we are glad to use every opportunity that we have to share His love to all. Thank you ever so much for standing with us and for your faithful part with us until that trumpet calls us home!

TO GOD BE THE GLORY!

GREAT THINGS HE HATH DONE IN POLAND!

TO GOD BE THE GLORY!

GREAT THINGS HE STILL WANTS TO DO!
